

**At Becket Chambers, we pride ourselves on offering best-in-class customer service combined with excellent value for money.**

Fees are usually calculated based on an hourly rate, which depends on the barrister you work with. Every case is different, and the clerks will be happy to give you a no-obligation indication of likely fees before you decide.

Wherever possible we will try to agree a fixed fee for a specified item of work. Any fees quoted are dependent on the experience of the Barrister, the nature of the case, the volume of case papers and the time involved in preparation and representation.
